WILLIAMSON COUNTY CEMETERIES

Volume I of this collection was made 1973-1975 by the Williamson County Historical Survey Committee. A second volume of other area cemeteries is now being compiled. Several cemeteries in counties adjoining Williamson, and near the boundary lines, are also included, for the convenience of researchers.

Historical Committee members during the time this volume was compiled are as follows:

Mrs. Don Scarbrough (Georgetown), chairman; Ruth Mantor (Taylor) vice chairman; Mrs. Estha Scoggins (Georgetown), secretary-treasurer; Myreta Matthews (Liberty Hill), publicity; also Mrs. Bob Ford, Mrs. Stanley Schwertner of Bartlett; Effie McLeod and Mrs. Jinx Goff, Florence; Laverne Faubion, Mrs. Leroy Johnson, Mrs. Homer Caswell, Mrs. Robert Morse, Mrs. Carl Burnette, Dr. and Mrs. Van Tipton, Mrs. J.T. Atkin, Donald Irvine, Mrs. Sally Pettus, Judge Sam Stone, Judge and Mrs. Luther Chance, Gene Hargett, all of Georgetown; Mrs. Henry Labaj, Granger; Mr. and Mrs. Emery Blackman, Hutto; Miss Cora Sexton, Mrs. Fred Buchanan, Jarrell; Mrs. Marshall Richardson, Harold Asher, Liberty Hill; Mrs. J. W. Ledbetter, Mrs. D. B. Gregg, Round Rock; A. M. Ahlgreen, Thomas McDonald, Mrs. Joe Hannah Forson, Ranken Kennedy, Mr. and Mrs. Mahon Garry, all of Taylor; Mr. and Mrs. Alvin Ribbeck, Thrall.

Many of the older cemeteries have been called various names through the years. The Commission has attempted to list all alternate names, the earlier one being placed first.

In all probability there has been some misreading of names or dates, in spite of great care taken by researchers, and a few obvious typographical inaccuracies (such as the exchanging of birth and death dates) appear in this collection. Since these cannot be rechecked immediately, the compiler's listing stands. If the reader can offer positive corrections which can be substantiated, he should report them to the librarian, who can properly make the correction, allowing the original version to remain visible.

Texas law prohibits the defacing or destruction of any and all Texas cemeteries/burial places, or any part of one, even on private property. Information about damage to cemeteries should be reported promptly to law enforcement officers.

This volume was prepared with the assistance of many individuals, cemetery associations, and entire communities, to whom the Williamson County Historical Commission is extremely grateful.

FOREWORD and ACKNOWLEDGEMENTS

This is the 3rd and final volume of Williamson County Cemetery listings compiled by the Williamson County Historical Commission during the years 1979 - 1986. In this volume we have attempted to include not only those cemeteries not listed in Volume I (completed 1975) and Volume II (completed 1978), but all other abandoned and/or isolated burial places within the county. This volume also includes a CEMETERY LOCATION MAP for all known burial grounds, copies of which may be obtained from this commission.

Every effort has been made to accurately record the information found in these cemeteries, but the human element involved most certainly insures errors have been made. If the reader can offer positive corrections which can be substantiated, please report them to the librarian, who can promptly make the correction, allowing the original version to remain visible.

Readers and searchers are urged to assist in the preservation of our county burial places. Texas law prohibits the defacing or destruction of any and all Texas cemeteries/burial places, or any part of one, even on private property. Information about damage to cemeteries should be reported promptly to law enforcement officers.

The SUPPLEMENT which is a part of this volume contains additions and corrections to the listings in Volumes I and II.
